## Meet Our Staff

At Dynamix Gymnastics, our camp counselors and supervisors are committed to creating an unforgettable experience for every camper. With training across various gymnastics levels, we focus on building each child's confidence and helping them reach new milestones daily. Our supervisors are also First Aid and CPR certified, providing a safe, supportive, and engaging environment.

Dear Parents & Campers,

My name is Miss Jen, and I am the Recreational and Summer Camp Director at Dynamix Gymnastics. I hold a BA in Elementary Education and Theatre from Rider University and am certified in First Aid, CPR, and AED.

This summer marks my fourth year as Summer Camp Director at Dynamix Gymnastics. With 29 years of coaching experience and 20 years in gymnastics camp management, I bring a wealth of knowledge and passion to our programs. I've coached at the college level in track and field, worked with Junior Olympic trampoline and tumbling athletes, and taught USAIGC gymnastics. I'm also a mother of three wonderful children, ages 4 to 16, which has deepened my understanding of both working with children and the life lessons sports can offer.

I'm committed to drawing on all these experiences to plan a fun, exciting, and safe camp experience for your child.

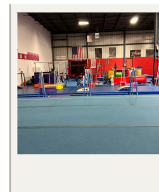

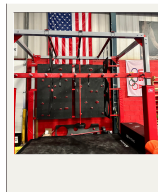

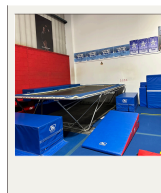

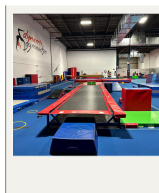

Please feel free to reach out with any questions or concerns. Thank you for choosing Dynamix Gymnastics for your Summer 2025! We're looking forward to a wonderful season filled with gymnastics, games, special activities, friendships, and memories to last a lifetime!

Best Wishes,  
Jen Abruzzese
